

CHAINHOLD

Part #: RB91-1331-xxx000

The Chainhold tension device by Rollease Acmeda provides a child safe tension mechanism for a chain roller system. If not properly installed, the Chain Hold Tension Device will partially prevent the window covering from functioning, making it fully compliant with the ANSI/WCMA standard for safety. The durable construction and engineered design of the Chain Hold Tension Device ensures smooth, reliable performance.

FEATURES

- FAST ASSEMBLY, easily and quickly installed
- FAST INSTALLATION with outside mounting bracket available
- SLEEK APPEARANCE: small, attractive design blends with any decor
- QUIET, reliable and efficient performance
- SMOOTH OPERATION with both Rollease Acmeda metal and plastic stop balls and chain connectors
- AVAILABLE IN 5 COLOR OPTIONS: white, vanilla, gray, black and clear with the outside mounting bracket only available in clear.
- COMPLIES WITH: ANSI/WCMA A100 Cord Safety Standard
