

# Contract Series

## Roller Shade System

The precision engineered Contract Series is a durable and robust combination of form and function. Featuring minimal light gaps, increased privacy, view through and sustainability, setting the benchmark for natural light management.

### Features

- Precision engineered, durable construction and modern design.
- Enables view through and privacy with minimal gaps Enhances sustainability and efficiency with complete light and thermal control.
- Minimal aesthetic. Single & linked shade applications.

### System Options

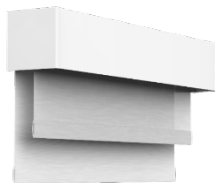

---

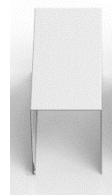

Side Channels

Switch Spline

Fascia

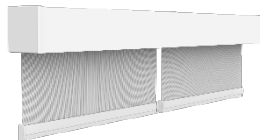

AP Ceiling Pockets

Wire Guide

Motorization

Link System

Dual Roll

### Control Options

---

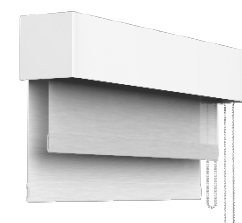

4 - Channel Controller

Wall Switches & Remotes

Crank Operated

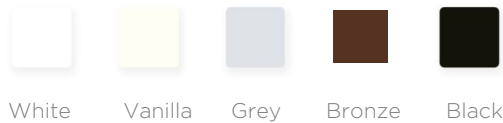

Clutch Operated

## Max Roll Diameter Chart

Roll Type	Max Roll.
Open Roll	3.74
Open Roll	2.67
3" Fascia	2.75
4" Fascia	3.5
5" Fascia	4.75
5" Dual	2.75
